

**Torino li 3 luglio 2017**

**EHPPA DAYS 2017**  
**Gli acquirenti pubblici europei si confrontano con le più recenti innovazioni del settore sanitario**

Il B2B organizzato dalla Camera di Commercio e dell'Industria Francese e da EHPPA (European Health Public Procurement Alliance), si terrà a Parigi il 28 e il 29 settembre prossimi.

Nell'ambito di questo articolato evento, che prevede incontri individuali di 30 minuti tra acquirenti e fornitori, si terranno una conferenza plenaria sugli acquisti pubblici in Europa, workshop di varia natura e sessioni di networking per condividere le diverse esperienze.

SCR Piemonte S.p.A. – partner ufficiale dell'organizzazione no profit EHPPA in rappresentanza di 9 paesi europei – sarà presente all'evento per offrire il suo contributo.

Seguono nota stampa degli Organizzatori e programma ufficiale con relativi contatti.

Press release

Wednesday, 24th of May 2017

**EHPPA Days 2017**  
**Where European public buyers**  
**meet with the latest innovators in the Healthcare sector!**

On the 28th & 29th September, CCI France International and EHPPA will hold the “EHPPA Days 2017”, a **European Forum for the Procurement of Health Innovation**, at the Centre Etoile Saint Honoré in Paris.

**Objective of this event**

To put Healthcare public buyers (Central purchasing bodies, hospitals...) in touch with innovative French and European suppliers, as well as obtaining information on the different purchasing practices of each European country.

**Agenda**

- ▶ B2B meetings: buyers and suppliers will meet up for 30min individual meetings;
- ▶ Plenary conference on public purchasing in Europe;
- ▶ Technical workshops and workshops by country;
- ▶ Networking sessions for participants to share their experiences.

**Who should attend?**

Start-ups, SMEs, middle-market companies, French and European suppliers offering innovative solutions in every branch of the Healthcare sector: pharmacy, pathology, biomedical engineering, patient management, medical equipment, biotech, e-health & digital support, accommodation, infrastructure & technical services, energy & sustainable development, telecommunication & IT services...

**Key figures**

- ▶ 20 countries
- ▶ 60 European buyers
- ▶ 250 participants expected

This event is organised by CCI France International and EHPPA, in partnership with RESAH (Réseau des Acheteurs Hospitaliers français) and the French Chambers of Commerce in France and abroad.

**Registration and information:** [www.rencontres-sante.com](http://www.rencontres-sante.com)

The banner features a blue background with white and light blue geometric shapes. On the left, a white box contains the text "EUROPEAN FORUM FOR PROCUREMENT OF HEALTHCARE INNOVATION". Below this, a green bar reads "EHPPA Days 2017". To the right, another green bar indicates the dates "28 & 29 Sept. 2017 - Paris". At the bottom, four logos are displayed: CCI FRANCE INTERNATIONAL, resah (Réseau des Acheteurs Hospitaliers français), EHPPA, and CCI DE FRANCE. The banner also includes icons for a hospital, a plus sign, a smiley face, and a flask.

## Summary

The “EHPPA Days 2017”, a European Forum for the Procurement of Health Innovation, will be held on the 28th & 29th September at the Centre Etoile Saint Honoré in Paris.

The Forum is organised by EHPPA, an alliance of non-profit Group Procurement Organisations representing 9 European countries, and the network of French Chamber of Commerce and Industry abroad, CCI France International.

It aims to put public buyers in touch with innovative French and European suppliers in the Healthcare sector. This event will start with a half day conference followed by a day and a half of B2B meetings to provide information on the purchasing practices of the different European public organisations and to identify new business opportunities.

The event will gather more than 250 participants, including around 60 buyers and 15 country experts. It is addressed to start-ups, SMEs, middle-market companies, French and European suppliers offering innovative solutions in every branch of the Health sector: pharmacy, pathology, biomedical engineering, patient management, medical equipment, biotech, e-health & digital support, accommodation, infrastructure & technical services, energy & sustainable development, telecommunication & IT services...
